

We believe that  
equitable access to  
a bicycle is  
an important part of  
a strong, vibrant,  
healthy community.

\*We do our best to keep these shop  
hours but please call ahead to  
ensure we are there.

WHEELS  
FOR  
WINNERS  
EARN A BIKE PROGRAM

## HOW WE WORK

We are a 501(c)(3) non-profit organization run entirely by volunteers.

Our dedicated mechanics refurbish donated bikes which are earned by others who perform community service.

We largely rely on a network of community partners to arrange for community service opportunities.

## Want to help us?

- **Donate bikes or bike parts**
- **Make a charitable donation**
- **Join us as a volunteer**
- **Tell friends, neighbors, and potential bike earners about us**

## THE DETAILS

### How do I earn a bike?

Complete 15 hours of volunteer service in your community. Then fill out our bike earner application (available for download on our website or a hard copy at our shop). Finally, stop by our shop to pick out a bike. You will also receive a new helmet and lock.

### Where should I volunteer?

Community centers, schools, and neighborhood groups are good places to find community service opportunities.

You can also come up with your own community service idea such as a park clean-up, helping out at a food pantry, or organizing a social justice event.

### Can you repair my bike?

We work with community centers and other partners to arrange bike repair events all over Madison. Check our website and Facebook page to see where we are holding repair events.
